

Boom Island/BF Nelson CAC Schematic Plan amendments:

1. Design 4A shall incorporate the bicycle trail as shown in 4B; there should not be a through road.
2. Trails shall be open to the public even when the shelters are reserved.
3. Sidewalk improvements and lights along Main St. are a priority.
4. Prominent access and way-finding signage be incorporated into the park.
5. Restroom should be moved toward interior of park towards the turn around and further from Marshall Ave.
6. Remove volleyball court closest to lawn game area.
7. No area should be designated for tennis courts.
8. No paving of Nicollet Island gravel path to be part of this project.
9. A formal special lawn game area should be set aside for regulation lawn games using natural manicured turf.
10. Integrate historic interpretation into all aspects of the park redesign.
